

Drive thru Covid 19 – with style...

I've been shooting food and drink photography for many years with the Team at Urban Beach – during Lockdown, of course, a lot of problems have hit the hospitality sector. But Mark, set to help the public, friends, family and staff through this difficult time – sets up "Drive Thru"

Impressive food and drink (with the quality his customers are used to) via a drive-in – Stay-Safe people. AND above all do what you can to support each other during these crazy times.

It was great to see this testimonial and thanks from Mark himself.

“Hi. Just want to give a huge shout out and thanks to the exceptional photography skills of [Richard Budd](https://www.facebook.com/DorsetFoodandDrinkPhotographer) and <https://www.facebook.com/DorsetFoodandDrinkPhotographer>. Richard came to visit [Urban Guild](https://www.facebook.com/DorsetFoodandDrinkPhotographer) last week to help us out of our large financial hole. He offered his services just as a friend to take a heap of epic photos of our soon to be launched ‘Dine at Home’ project. Just wanted to say a very public ‘thank you’ Richard and if any of you need a food photographer he’s awesome.”
